

ROCKSIDE ROAD REPAIR & RESURFACING

A New Road... The Cuyahoga County Engineer's Office will repair and resurface Rockside Road from Broadway Avenue to Aurora Road in the Cities of Bedford, Bedford Heights and Maple Heights. Construction will begin July 2010.

Stage I... From Broadway Avenue to approximately 700 feet west of Warrensville Center Road. Construction will begin in 2010.

Stage II... From 700 feet west of Warrensville Center Road to Bartlett Road. Construction will begin in 2011.

Stage III... From Bartlett Rd. to Aurora Rd. Construction will begin in 2011.

Traffic... During **Stage III**, Traffic from Aurora Rd. (SR 43) southeast bound to Rockside Rd. westbound will be detoured to Perkins Rd. southbound then to Rockside Rd. westbound. Traffic from eastbound Rockside Rd. to southbound Aurora Rd. will be detoured to Perkins Rd. southbound then to Aurora Rd. Two-way traffic will be maintained at all times elsewhere on the project.

Road Builders... Karvo Paving Company is the general contractor. The cost of the construction contract is \$4,344,382.32

Finance... Funding will be provided through Federal Highway Administration through NOACA and Cuyahoga County.

Completion... The repair and resurfacing of Rockside Road is scheduled for completion in June 2012

Thank You... We appreciate your understanding of our efforts to improve the quality of this county route. It is our goal to provide an orderly flow of traffic through the area.

Patience... As work progresses, please be patient when dealing with the inconveniences of construction. We regret the temporary effects this work will have on your communities.
